

Product Specification

Product name	Val – ValMar Collagen
Article No.	Val – 202305/Ver1 10.08.2023
Product description	Val – Fish Collagen peptide ingredients, hydrolysed collagen, Marine collagen powder
Packing	25 kg multiply paper sacks with inner polyethylene liner
Storage	Store closed, dry, cool and light protected. Already opened boxes should be closed accurately and airtight
Shelf life	Shelf life is 60 months from the production date when stored under cool, dry conditions (recommended temp <25 °C, RH <65 %).
Application	Val – ValMar Collagen ingredient is designed for manufacturing of food products and food supplements.
Country of origin	India

Physical parameters	Specification
Appearance	White dry powder
Taste	Natural
Odor	Odorless
Clarity	Completely transparent /clear
pH	6,2 – 7,2
Solubility	Water soluble
Chemical parameters	
Protein	Min. 97%
Bulk Density	0,35 ± 0,05g/cm ³
Ash	Max. 2%
Amino Acid content	Min. 95%
Moisture (102°C 2h)	Max 5%
Microbiological parameters	
Total Plate Count 30°C	Max. 1000 cfu/g
Yeast &Mold	≤100 cfu/g
Bacillus cereus	≤100 cfu/g
Enterobacteriaceae	Negative
E.Coli.	Negative
Salmonella	Negative
Contaminants	
Lead (Pb)	≤0.2 mg/kg
Arsenic (As)	≤0.2 mg/kg
Cadmium (Cd)	≤0.1 mg/kg
Mercury (Hg)	≤0.05 mg/kg

GMO and Allergens	The product does not contain genetically modified organisms (GMOs) within the meaning of Regulation (EC) No 1829/2003 and Regulation (EC) No 1830/2003 or allergens except milk components within the meaning of EU directive 2000/13/EC.

Product Status and Suitability

The variation range of +/- 10% is based on the typical variations of analyses. The variation can vary according to laboratory method. The information contained herein is reliable to the best of our knowledge. The details given are intended only as a source of information. Users should evaluate the products to determine their suitability for the user's own specific purposes and compliance with relevant food legislations. No warranties, expressed or implied, are made. This product is BSE/TSE free.

Return deliveries, are acceptable only within the first 30 days after receipt of the goods. Any kind of return delivery has to be communicated to Valeovita d.o.o. in written form or E-Mail and is basically subject to our previous written authorization. The buyer is obliged to inspect the goods regarding completeness and visible defects immediately upon receipt and has to report any kind of abnormality in written form on the delivery note, which has to be handed over to the carrier as evidence of delivery and damage. Without written notification on the delivery note any kind of claim for compensation regarding completeness and/or visible defects is not acceptable and will not be taken into consideration. Please do not open the total number of packing units unless this is necessary. In case packages are marked with more than one product label, for safety reasons we kindly request you to compare the product name and the batch numbers of both labels and to communicate us any kind of abnormality immediately. Accepting the delivery of these goods the buyer agrees with the conditions stated in this document. No claims will be accepted for final products and/or elaborated products, any claim must be done before to use our products. If any of the products is designated for the manufacturing of pharmaceutical or veterinary medicaments, you must inform us urgently, please send again your purchases order indicating which product/s are designated for medicaments.

To the best of our knowledge and experience, the shelf life of our ingredients when used in food products or food supplements is till the date written on Certificate of Analysis enclosed to every shipment under the condition that the storage conditions stated in Product Specification for every specific ingredient are respected. However, it is the responsibility of the final product holder to assess the expiry date of the product in its final packaging with regards to possible claims and nutritional values.
